LOW BAKING TREATS

GUT HEALTH

SKIN & HAIR CARE

JOINT CARE

LOW BAKING TREATS

The only one that contains a variety of patented health care ingredients for your fur babies to enjoy while protecting their health. Using CAS fresh meat that is strictly controlled, the excess fat is removed by hand and added with functional raw materials. The meat is then massaged using a vacuum massage machine and baked, which preserves the aroma and efficacy in each piece of meat; all the while, maintaining a soft and chewy texture.
